## Our Founders

Beverly's Terrace Plaza Playhouse began as the dream of Beverly Olsen, a talented performer and director with a passion for creating a theatre home of her own. Together with her husband Blaine, she transformed a former grocery store in Washington Terrace into a warm and welcoming stage for the community. Through their vision, sacrifice, and hard work, the Playhouse grew into a beloved gathering place for quality, family-oriented theatre. Beverly and Blaine's legacy continues to inspire every performance, every volunteer, and every audience member who walks through our doors.
